

## Seminar

### *The Use of Science in Environmental Management of the San Francisco Bay Estuary - Two Perspectives*

---

**February 23, 2006**

10:00 a.m. to Noon

Founders Room, Buehler Alumni & Visitors Center

---

Speakers are:

#### **Steve Ritchie**

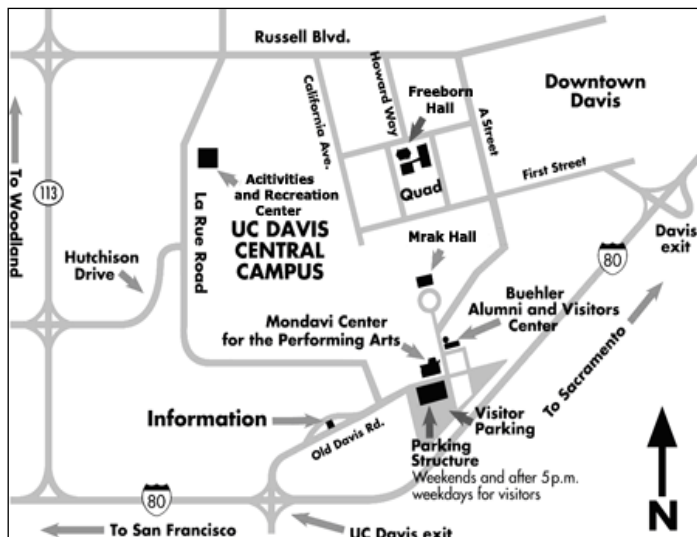

Executive Project Manager of the South Bay Salt Pond Restoration Project,  
California Coastal Conservancy

*"Life in Environmental Management: What I Asked of Science and What I Got"*

#### **Bruce Herbold**

Senior Biologist, US Environmental Protection Agency

*"Scientists Must Give Policy Makers a Knob to Turn (and it has to go up to 11)"*

From **San Francisco** Turn left onto Old Davis Road. Pass the South Gate Information Kiosk, continue straight to go to the Alumni Center Building, or turn right to go the parking lot. Go past the Mondavi Center to reach the Walter A. Buehler Alumni and Visitors Center.

From **Sacramento**: Take Interstate 80 West. Exit at UC Davis. Turn right onto Old Davis Road. Pass the South Gate Information Kiosk, continue straight to go to the Alumni Center Building, or turn right to go the parking lot. Go past the Mondavi Center to reach the Walter A. Buehler Alumni and Visitors Center.

**Visitor parking is \$6.00 per day.**

The seminar is co-hosted by CALFED & Center for Aquatic Biology & Aquaculture (CABA)
